

ALGAE SERVICE

ALGAE BUSTER SERVICE CONTRACT

This program is designed to kill algae growth. This allows your pool to be opened with cleaner, clearer water and saves on chemical usage at Spring startup. Warning: Your pool chemicals are weak, therefore allowing algae growth to occur. Take advantage of this service and have no worries about opening to a dark green or black pool. Save on chemical startup costs in the Spring!

Warm Winter Weather encourages much more algae growth

Pools with Mesh Covers are extremely susceptible to algae growth

Open Clean...Not Green

To keep your pool cleaner and algae free, we recommend using the algae buster service once a month in the beginning of March, April and May for best results.

Forget Harsh Chemicals & the Work!

One call to Pools & Spas Service, Inc. and your pool will be CLEAN...NOT GREEN for Spring.
