

# 2019 GOLD Service-Rite Program

## Program Includes:

- Pre season service.
- Client will receive a phone call 2-3 days before scheduled date to confirm opening date.
- Worry-free pool care performed by uniformed employees.
- Opening your pool: includes the removal and folding of cover (cover will be left poolside to dry out). Installation of all return fittings, ladders, skimmer baskets, pump baskets, and sanitation devices. Installation of all filter, heater, and pump plugs. Priming and starting of all pumps, cleaners, and water features. Inspection of all equipment and advising client if there are any visible concerns.
- Up to 2 consecutive initial cleanings immediately following the opening to get the pool swim ready (excludes Sundays). This includes vacuuming, skimming, brushing, and balancing chemical adjustments.
- Return visit after cover has had time to dry, to store cover in place of clients choosing.
- 14 weekly cleanings after pool is swim ready.
- Algae free guarantee: top of the line chemicals (chemicals are included) to manage water chemistry and allow customers to enjoy their pool all season. Pools and Spas Service, Inc. uses a chemical that oxidizes to break down contaminants in the water to increase sanitizer effectiveness, resulting in clean and clear water.
- The most advanced water testing system for precise use of wet chemistry methods ever produced. This is not a test strip. We test for the top 10 chemical parameters in the industry and balance them to recommended standards.
- Maintenance of entire pool: including backwashing (noting of filter pressure before and after), emptying of skimmer and pump baskets, skimming of pool, cleaning of scum line, cleaning of automatic cleaner bag/filter, and brushing of walls (if needed).

- Weekly e-mails including photo of pool after service, current chemical readings, and services rendered during that visit.
- Real time managerial oversight from a certified maintenance specialist of pool chemicals and services rendered for quality assurance.
- Top of the line pool cleaning equipment that allows us to not use the clients equipment, preventing premature wear and tear.
- Up to 2 filter cleanings included (D.E. or cartridge only) on an as needed basis depending on environment, pressure readings, and the age of the filter.
- Priority service on all requested repairs with no service charge.
- 19 Vehicle fleet to get to clients within 24-48 hours of clients request.
- Discounted labor rates and discounted parts: Regular labor rate is \$225.00. Under this package the labor rate is \$110.00 for the first hour.
- Additional weeks of service are available for \$110.00 without spa or \$120.00 with a spa per visit with chemicals included.
- Guarantee pool chemicals at closing to be at recommended industry standards(must have consecutive services up until your closing date).
- Closing your pool: includes removal of ladders, sanitation devices, handrails, return fittings and skimmer baskets. Adding of winterizing chemicals. Blowing out and plugging (where applicable) of all lines and equipment. Installation of your cover. Setting up of cover and/or step pump(s) and inspection of cover condition, bringing any concerns to the clients attention.
- Upgrade to our Platinum Package and get 4 additional weekly cleanings of service and our 12 month a year service plan (including Heater Maintenance and Wintersheids) for just \$700.
