

WEEKLY POOL SERVICE CONTRACT

Let the Local Pool Pros Handle Your Weekly Pool Maintenance!

- Manual vacuuming with our own equipment performed by uniformed employees
- The most advanced water testing system for precise use of wet chemistry methods ever produced. This is not a test strip. We test for the top 10 chemicals in the industry and balance them to recommended standards
- Real time managerial oversight from a certified maintenance specialist of pool chemicals and services rendered for quality assurance
- Adding chemicals as needed. Must use Pools & Spas Service, Inc. chemicals.
- Maintenance of entire pool: including backwashing (noting of filter pressure before and after), emptying of skimmer and pump baskets, skimming of pool, cleaning of scum line, and brushing of walls (if needed)
- **Service includes up to 1 ½ hours.** Additional time will be charged at \$75 per man, per ½ hour.*

If the pool is green and there is no visibility the above service will include everything except for the vacuuming and will be billed at \$99 plus the cost of chemicals.

_____ x (Initial) (Pool needs to run 24 hours a day until pool is clean and swimmable to expedite the clean up of the pool)

If the pool is green you will need multiple consecutive services.

_____ x (Initial)

*Prices are based on a standard pool that is approx. 800 sq. ft. There will be an additional charge for chemicals as needed.
