

# 2024 POOL OPENING

## POOL OPENING PACKAGES

- Client will receive a phone call 2-3 days before scheduled date to confirm opening date
- All services performed by uniformed employees
- Removal of small amounts of water and debris from cover
- Real time managerial oversight of condition of cover and equipment for quality assurance
- Removal of cover
- Folding of cover and water bags (if applicable) and placing by poolside (we recommend allowing cover to dry out before storing for summer)
- Installation of ladders and handrails
- Installation of return fittings, baskets, and sanitation devices
- Installation of all filter, heater, and pump plugs. Priming and starting of all pumps, cleaners, and water features. Inspection of entire system and advising of any visible issues or concerns
- Test firing of the heater
- Adding of opening chemicals if purchased from Pools & Spas Service, Inc.
- Storing of all winterization plugs in a plastic bag left poolside by cover
- Cleaning of pool, filters, or covers is not included
- Customer responsible to check chemicals after 24 hours of filtering and adjust into industry standards if needed
